*Immaculate Conception Parish*

2745 WEST 44TH STREET  
CHICAGO, ILLINOIS 60632

DEAR PARISHIONERS AND FRIENDS,

As we commemorate three quarters of a century of our parish life, we recall with great respect the dedicated founders of our parish, who had vision and perseverance in providing for the religious needs of Catholic Lithuanians in Brighton Park.

We also remember the devoted parishioners who sacrificed much to make the dream of Immaculate Conception Parish a reality. And, now we gratefully treasure the present members of our parish who continue their loyalty and support.

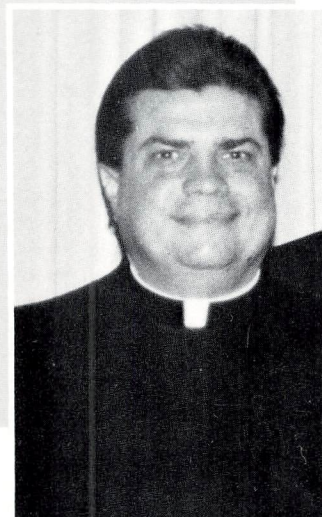

Our beautiful Church now beginning the twenty-fifth year of its existence is a monument of the deep love of God and of the Immaculate Conception and of the great faith and unfailing sacrifice of our parishioners during the past three quarters century.

I am proud to follow upon the achievements of our Pastors, Priests, Sisters and Parishioners who will always be an inspiration to all who will continue their noble work in our parish during the next seventy-five years.

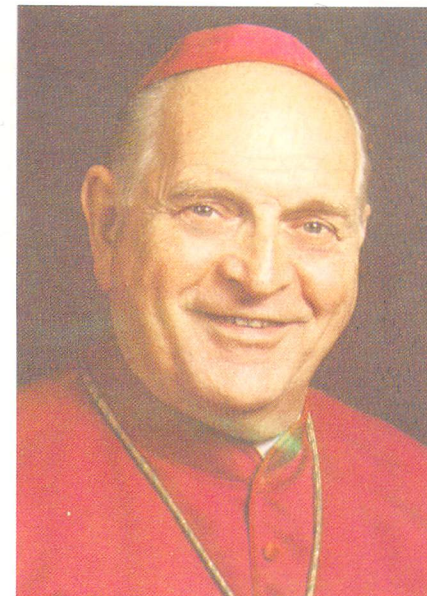

May God reward and bless all as justly deserved.
